### SECTION-E

#### **Case Study:-**

9. Rohan's family used to live in a huge house in a village, but due to a lack of good schools, the family decided to move to a nearby City. Rohan's father found a job in a factory, and they moved into a small house. Rohan had to go to a new school and make new friends.

Questions:-

1. Why did Rohan's family move to the city? 1
2. What problems do you think Rohan might face in school? 1
3. Do you think moving to a new place can be exciting? Why or why not? 2

10. In the 1970's the people in a village called Ralegan Siddhi in Maharashtra faced a water shortage. With the help of a leader named Anna Hazare the villagers started saving water. They came together to build small dams, fix old wells, and learn new ways to save rainwater. Their work helped make more water available all year for drinking and farming.

Questions:-

1. Name the leader who helped villages to save water. 1
2. Write how did the villagers solve the problem of drinking and farming? 2
3. What is a government? 1
