2. Attempt questions based on specific instructions for each part.

## SECTION A: READING SKILLS

1. Read the passage and answer the questions.

(5 marks)

### The Silver Lining Behind Every Challenge

Life is full of ups and downs, and challenges often seem overwhelming when we're in the middle of them. However, the saying "*Every cloud has a silver lining*" reminds us that even in the darkest moments, there is hope and potential for something good to emerge. Just as clouds may block the sun but still reflect its light around their edges, difficult situations can lead to personal growth, unexpected opportunities, or valuable lessons.

For example, someone who loses a job may initially feel devastated, but the experience might push them to pursue a passion they had long neglected, leading to a more fulfilling career path. Similarly, a failed relationship can bring heartbreak, yet it can also teach someone what they truly value in a partner, helping them build stronger connections in the future.

This idiom encourages optimism and resilience. Instead of focusing solely on the negative aspects of a problem, it inspires us to look for the hidden benefits or lessons that can come from hardship. Often, it's only in hindsight that we see how a challenging experience helped shape us into stronger, wiser individuals.

While not every difficulty has an immediate or obvious benefit, the mind-set that things can and often do improve can provide comfort and motivation. In essence, "Every cloud has a silver lining" teaches us that hope can be found even in adversity, and that better days are often just beyond the storm.

### **I. Answer the following questions:**

1. What quality does the idiom encourage in people? (1)  
A. Anger B. Patience C. Optimism D. Fear
2. What does the passage say about facing challenges? (1)  
A. Avoid them at all costs B. They are always harmful  
C. They can lead to growth and wisdom D. They should be ignored
3. What does the idiom "Every cloud has a silver lining" teach us? (1)
4. Write the antonym of the following from the passage- a **comfort**– (3<sup>rd</sup> paragraph) (1)
5. Make sentence with the word-**Opportunity** (1<sup>st</sup> paragraph) (1)
