INVITATION

Dear Parents/Guardians
SEASON'S GREETINGS

Good Luck is the product of intelligent planning and methodical execution. The moment has finally approached as our students look forward for our blessings and good wishes. Let us collectively bless our children and pray for their success in the forthcoming Board examination. You are cordially invited to PADUKA PUJA to be organised on **24th February 2011** from **1030 hrs.** This puja is meant not only to morally and spiritually uplift them but also to pray for their robust health and outstanding performance in their exams. The staff and students will be overjoyed to have you as a part of this function and share some beautiful moments with us as well.

With Regards
