Dear Parents,
Season's Greetings

We have send you some information regarding **Class X** examination *March 2011*, such as :

Category-A **Summative Assessment-2 conducted by the school** on the question papers (On syllabus of Term II) on marking scheme supplied by the board and evaluation carried by the school.

Category-B **Summative Assessment-2** conducted by CBSE such that question paper (On syllabus Term II) marking scheme prepared by the board and evaluation carried by the board through external examiner.

As a parent you have to choose in between **Category A and B**. **Category-B** is basically meant for those who desire to move out of the CBSE system after Class X. But those who desire to continue with CBSE pattern, they may write the examination either conducted by the School or by the board. The choice lies with you and your child.

Should you have any doubt, please revert back to us.

Thanking you
