

# B.K.BIRLA CENTRE FOR EDUCATION, PUNE

## CIRCULAR

22<sup>nd</sup> August 2011

Honoured Parents/Guardians

### SEASON'S GREETINGS

We genuinely convey our appreciation for your humble support and cooperation in our mission to nurture global citizens in our global village. The steady back-up and positive response from you have undeniably fostered us to set challenging targets for future. The most prominent of these is the forthcoming **GURU DRONACHARYA KHEL MELA**.

The school will organise **GURU DRONACHARYA KHEL MELA** during autumn this year from **24<sup>th</sup> October 2011 to 27<sup>th</sup> October 2011**. The **GDKM** will focus on coaching kids the importance of team work, sportsmanship, fair play, competitive spirit and leadership skills. Our well trained and certified staff will ensure that all campers are taught the basic skills and knowledge of each activity enlisted in our programme. Campers will be participating in sports activities such as **football**, **basketball** and **cricket** in conjunction with numerous other recreational and informative activities. **Worth mentioning is the specialised skill development training in interior decoration, cookery and embroidery apart from games for girls.**

You may continually browse our school website: [www.bkbirlacentre.com](http://www.bkbirlacentre.com) to stay connected with us and simultaneously update yourselves with the latest events, reports, modus operandi and exhaustive information catalogue loaded from time to time for your appraisal. Students' periodic report and individual performances are also loaded for your reference. You may as well view your child's performance **'Progress Report'** by merely using the child's admission number as the **ID and password**.

Parents and teachers share the same treasure- the students. Periodical communications between these communities reflect the pious attempt to bridge home with school. The desire to create a platform for joint efforts, setting goals, discussing performances and sharing points of view is definitely universal. Hence, as already communicated to you, the forthcoming PTIs are scheduled for **22<sup>nd</sup> & 23<sup>rd</sup> October 2011 (Classes IV-VIII & IX - XI respectively)** between **1000hrs to 1330hrs**. We look forward to have an inspiring and thorough interaction with you.

REGARDS

PRINCIPAL
